**OVERNIGHT/EXPLORASIAN CAMPER EARLY CHECK OUT REQUEST FORM**

---

I, \_\_\_\_\_, hereby request that the New England Chinese Youth Summer Camp (NECYSC) release my son/daughter, \_\_\_\_\_, Camper App. ID: \_\_\_\_\_, earlier than the regularly-scheduled check-out time of 3:30 – 4:30 pm on the last day (Saturday) of camp week.

Please check the appropriate box, below:

I will pick up my child on the scheduled Early Check Out Time of 9:00 – 10:00 AM on Saturday, August 5, 2017. **(This is the ONLY pre-approved Early Check Out Time for Overnight and ExplorAsian campers because it is the least disruptive to other campers and staff. We strongly recommend parents & guardians to use this time slot if they need to pick up their campers early.)**

I have extenuating circumstances or an urgent medical issue and request approval from the Co-Directors and/or the Camp Nurse to pick up my child on \_\_\_\_\_ at \_\_\_\_\_ AM/PM (circle one).  
Reason for early pickup: \_\_\_\_\_.

- I understand that NECYSC cannot guarantee that my child's weekbook, artwork, and other materials produced during camp will be available for early check out.
- I certify that I have notified my child in advance that I will be picking him/her up early so that he/she can pack and say goodbye to friends. I understand that picking up my child unexpectedly is upsetting and disruptive to my child as well as other campers and staff.
- **I understand that once my child has been checked out of camp, they cannot return to camp and participate in any camp activities for the remainder of camp week.**
